This Changes Everything

Documentary Feature
Geena Davis, Meryl Streep, Chloë Grace Moretz
Good Deed Entertainment
Directed by Tom Donahue
NR; 97 minutes

This feature-length documentary that uncovers what is beneath one of the most confounding dilemmas in the entertainment industry –the underrepresentation and misrepresentation of women. It takes an incisive look at the history, empirical evidence, and systemic forces that foster gender discrimination and thus reinforce disparity in our culture. Most importantly, the film seeks pathways and solutions from within and outside the industry, and around the world.

Available November 2019

Cold Case Hammarskjöld

Documentary Feature
 Mads Brügger, Göran Björkdahl, Dag Hammarskjöld
 Magnolia Pictures
 Directed by Mads Brügger
 NR; 128 minutes

In 1961, United Nations secretary-general Dag Hammarskjöld's plane mysteriously crashed, killing Hammarskjöld and most of the crew. It's understood that because Hammarskjöld was, at the time, advocating for Congo's independence (against the wishes of European mining companies and other powerful entities), the "crash" was an assassination. With the case still unsolved 50-plus years later, Danish journalist, filmmaker, and provocateur Mads Brügger leads us down an investigative rabbit hole to unearth the truth.

Dilili in Paris

Animated Feature
Voices by: Prunelle Charles-Ambron, Enzo Ratsito, Natalie Dessay
Samuel Goldwyn Films
Directed by Michel Ocelot
Rated PG; 95 minutes

Travel to the upper reaches and lower depths of Paris in the Belle Epoque with Dilili, a graceful young girl with eagle-eyed smarts as she investigates the mysterious plot of the Master Men. Together with Orel, a delivery boy who ferries her around the sweeping photorealistic and jewel-toned landscape as only expert animator Michel Ocelot could conceive, Dilili will stop at nothing until justice is restored. Our super sleuths journey through a turn-of-the-century world so evocative, you just might spot Picasso, Proust, or Marie Curie.

YEARS AND YEARS

HBO Limited Series/Drama
Directed by Simon Cellan Jones
TVMA/Approximately 60 minutes each
Available Now

A provocative new HBO limited drama series, *Years and Years* follows members of a more-or-less typical British family, the Lyons, who converge on one crucial night in 2019. Over the next 15 years, as Britain is rocked by a flurry of unstable political, economic and technological advances, the twists and turns of the Lyons' everyday lives are explored as we find out if this ordinary Manchester family can change the world. With each episode propelling a year or two ahead, the Lyons – siblings Stephen (Rory Kinnear), Edith (Jessica Hynes), Daniel (Russell Tovey) and Rosie (Ruth Madeley), their grandmother Muriel (Anne Reid), and their respective spouses and children – will experience all the hopes and fears of an unknowable future. They'll fall in and out of love, grow old, fall apart and come back together, while constantly looking forward. The series is set against the backdrop of a world in which no one can tell political right from left – as evidenced in the rise to power of Vivienne Rook (Emma Thompson), an entrepreneur whose say-anything style makes her as appealing as she is controversial. Full of wit, warmth, and hope, *Years and Years* is ultimately about family, showing the relatable struggles to survive the day-to-day as society changes faster than ever before. *Years and Years* was created and written by Russell T. Davies, whose impressive body of work includes *Queer as Folk*, *The Second Coming*, and the 2005 revival of *Doctor Who*.

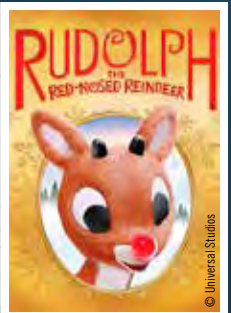

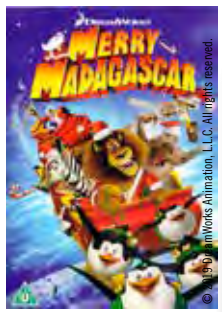

TRUE JUSTICE: BRYAN STEVENSON'S FIGHT FOR EQUALITY

HBO Documentary Films
Directed by Peter Kunhardt,
George Kunhardt and Teddy Kunhardt
2019/TVMA/100 minutes
Available Now

From Emmy®-winners Peter, George and Teddy Kunhardt (*King in the Wilderness*, *John McCain: For Whom the Bell Tolls*), this feature documentary follows Bryan Stevenson – lawyer and founder of the Equal Justice Initiative – through his experiences as a capital defense attorney and advocate for community-based reform. Interweaving watershed moments from Stevenson’s cases with insights from his clients, colleagues and members of his family, *True Justice: Bryan Stevenson’s Fight for Equality* focuses on Stevenson’s life and career – particularly his indictment of the U.S. criminal-justice system for its role in codifying modern systemic racism – and tracks the intertwined histories of slavery, lynching, segregation and mass incarceration. Offering intimate access to Stevenson as he reflects on the transformative moments in his career, the film chronicles his work in Alabama, the birthplace of the Civil Rights Movement and home to the Equal Justice Initiative, as well as the early influences that drove him to become an advocate for the poor and the incarcerated. Illuminating the power of memory in cultural change, *True Justice* instills hope of a brighter American future through the insights of this remarkable pioneer.
